

# The Enfield Senior Center Presents:

## The Tall Ships

Boston Harbor Cruise

Fire & Ice Restaurant

June 2017

Start your day with **lunch** at **Fire & Ice** in Boston. Astonishing diners since 1997, Fire & Ice is the place for families, friends and co-workers to gather. The endless array of fresh food combinations will boggle your mind. And, the magic performed by the chefs around the world's largest Mongolian grill will delight and excite your senses. You choose the ingredients, you decide on the dish, and the chefs will do the rest right in front of you. Fire & Ice is an all-you-can-eat concept that allows you to go through this process as many times as you want. **Although two people may never create the same dish, everyone is sure to have fun!**

After lunch, head to the dock where you will board one of Boston Harbor Cruise's boats for an historic and informative **narrated cruise of The Tall Ships**. Sailing in the wake of the great explorers, the 2017 Tall Ships Regatta will be the adventure of a lifetime – a 7,000 nautical mile Transatlantic race visiting six countries. Boston will be the only US port to host this amazing event. Other countries to host will include: England, France, Portugal, Bermuda, and Canada. The Tall Ships will be en route to Canada where they will help celebrate the 150<sup>th</sup> Canadian Confederation. The majesty and grandeur that The Tall Ships display will certainly impress!
